Praise Facilitates Fulfillment of Prophecy

Let me start by saying that God does not speak to impress any man, God speaks with His agenda of fulfilling his purpose in man's life - *Isa 55:10-11* (For as the rain cometh down and the snow from heaven and returneth not

thither but watereth the earth and make it bring forth and bud, that it may give seed to the sower and bread to the eater: so shall my word be, that goeth forth from my mouth: it shall not return unto me void, but it shall accomplish that which I please and shall prosper in the thing whereto I sent it).

If God's word cannot return void, that means that there is no idle word from His mouth, it usually fulfills its agenda of been sent - *Jos. 21:45*. We must be careful how we handle prophecies and beware of the devil's deceit because he makes the Word fruitless through unbelief. He introduces doubt into people's heart and this uproots the seed of prophecy - *Heb. 3:12 & 13; 2 Corinth 2:11*.

WHAT ARE PROPHECIES?

1. Prophecies are not psychological permutation, they are sworn verdicts: *Isa 14:24*. God Himself has sworn that no Word of prophecy that precedes His mouth will return unfulfilled.
2. Prophecy is the unveiling of God's plan and purpose for a nation, people or an individual: *Deut. 13:21-22*. If a prophet declares what God has not spoken, He says that you should not be afraid of him because he is a fake prophet.

HOW CAN WE KNOW WHO A PROPHET IS?

When he declares a thing and it comes to pass, that is a prophet that you should fear.

I received a testimony of one of our branches here of a fake prophet that threaten one sister that she will die in seven days time if she doesn't pay N50,000.00. Since then she has been living in fear and looking for a way out until she was directed to meet that branch pastor. A word of prophecy was given to her that the prophet will take her place in death and she believed. On the seventh day, after she was discharged from the hospital, the prophet died!

That is a prove of God speaking through his genuine prophet and it did not return back void. I decree that anyone threatening you, if he refuses to repent, he will face the wrath of God. Amen.

Furthermore, we have:

Two main sources of prophecies which are:

1. The Word of God. These are the Words and verdict of God for you documented in the Bible. This is called **more sure word of prophecy** - *Psalms 89:34, 2 Peter 1:19-21*.
2. From prophets sent to us from God. They receive God's word either while praying or when the message is being preached - *Luke 4:25-27, Matt 10:41* which says that, he that receives a prophet in the name of a prophet shall receive the reward of the prophet. This admonishes us on how to receive our prophets, not as our age or group mate but as him that is ordained with grace from God.

WHAT SHOULD YOU DO TO SEE A PROPHECY FULFILLED?

1. **Prophetic words must be received.** When we receive and believe any God sent prophetic word in line with what we should do, we are bound to receive the fulfillment - *Jer. 23:29*.
2. **You must engage in high praises which is called praise warfare.** *2 Chro. 20:20-24*. Praise is a covenant requirement to receive fulfillment of prophecy as in the

JESUS SAYS YOU MUST BE BORN AGAIN!

case of Abraham, Paul and Silas. *Gen 17:4-18; 18:9-14; Rom 4:17-20.*

Use praise as your weapon of warfare to get all the prophecies concerning you fulfilled, just as our father in faith, Abraham did. He believed in faith, giving glory to God with no doubt and the prophecy came to manifestation.

Remain blessed.

LIMIT BREAKING TESTIMONIES

DIVINE HEALING

I am here to thank the God of Oyedepo for healing my son. It all began on the first week of August, 2020 when a strange affliction befell my son which resulted to severe headache and displacement of the eye. He couldn't blink his eyes, his mouth and tongue turn to one side.

We took him to the Teaching Hospital on the 6th of August, 2020 where the doctor requested for him to undergo several test including brain scanning and the outcome was nerve dysfunction and swallowing on his brain. Immediately, I rejected it declaring that it cannot happen.

I decided to turn the result to my God who is the master healer, I involved in two hours Kingdom advancement prayers every day, I connected for Covenant Hour of Prayer and using the Kingdom mysteries: Mantle, Anointing oil, Communion and blood of sprinkling on him and God showed up. Within three weeks, God perfected every part of his body including the swallowing brain and the nerves. God turned the positive result to negative. I give him all the praise.

TRIPLE BLESSINGS VIA THE ANOINTING

I joined this commission since 2015 and I have been attending Shiloh believing God for a miracle. During last Shiloh, 2019 which was tagged "Breaking Limits", I told the Lord to make that Shiloh my Shiloh.

On that morning during workers meeting, Papa gave a word, declaring that in 2020, many people will go from being a tenant to being a landlord, many will become car owners and many will have divers breakthroughs. Immediately I heard that, I keyed into it and the God of Shiloh surprised me. In the month of July, 2020, I got a call from my community that a company needs my attention but I refused to go, insisting that all discussi-

on be done through phone calls because they refused to cooperate with me the first time we met.

On the third Sunday of July, being anointing service, tagged "Covenant Day of Long Life", I was led in the spirit to meet with our father, Pastor Testimony Afolabi. He proclaimed to me a triple testimony after telling him my challenges. He prayed for me and declared that all my cases are settled.

He instructed me to anoint the land and declare what I want and I did as I was instructed, and God answered my prayers.

things to know about your spouse

There are certain things when you listen to the voice of wisdom you will be save but if you are stubborn and do not listen, I guarantee that you have chosen a path that will lead to tears all the days of your life – **Joshua 24:15**.

There are certain things a man/woman must find in his/her spouse and if those things are missing, don't marry him/her. Please note these 4 things before you either approach her for a marriage proposal or you say 'yes' to him. It is dangerous for anyone that does not possess these qualities because both your home and offspring will be a disaster.

1.

He/she must be God fearing. The primary reason why our society is in decadent is because people are not God fearing. People live a fake and deceitful live. The fear of the Lord is not believing in God. Faith in God and the fear of God are two different things. One can have fear in God and not fear God. There are many faith filled believer who are not God fearing. Every God fearing person, his/her life, discussion are govern by a reference – the bible. When you declare you are a believer, what is your reference for discussion making? So many people are in church with no reference to where their decisions comes from. They share ideas, ideologies of parenting that have destroyed the lives of so many people. To be God fearing means to:

- i. Have reference, respect for God and not just believing in Him
- ii. Submit to the ways and Word of God as the final authority in all matters.

There is no-one who is bad; every person is like a video playing out his mindset. It is the ideology of a person that expresses him/her as bad. When his/her ideology changes, he/she becomes a transformed person. People are not bad but there are concepts that has turn them into beasts. There is nothing as excellent as people who have submitted completely to the will of God **Romans 5:8**.. You must find out from God what He must put in you that will make your spouse fresh in your life.

An average child in our society today lives with the parent. But is not trained and mentored by them, so the child gets training from his/her friends and society. Training the child means "set the pace, be an example for your child to follow" – **Prov 22:6**

2.

Your spouse must submit to an earthly authority for mentorship, building and correction. There are many families in trouble today because there is no authority figure over the life of the man/woman. No matter how wrong a man or woman is, if there is a person for them to listen to, the relationship is still safe. Never marry a person who does not have a spiritual or physical mentor he/she have covenanted over his life to listen to - **1 Peter 5:5; Heb 13:17; Ruth 1:16-17**. Homes can be beautiful, peaceful not necessarily because they are rich, but there is an authority over them that influence their actions.

3.

Your spouse must have passion for you not necessarily love. Passion is an adjective that qualifies the extent of love. Passion is a great, strong, powerful emotion. It is a depth of resolute that through that person, you have gotten satisfaction and fulfillment and there is no need for an alternative – **Prov 31:29**.. Anybody who does not have passion for his/her spouse will be unfaithful. Don't marry a wife/husband, marry a friend. A person that is struggling to express his/her love to his/her spouse will find an alternative. The mystery of attraction is when you find

a person or an object demonstrating many things you perceive to represent value to you. Your spouse must be attracted to you for life – **Prov 11:14**. Let people come and meet order in your life and there will respect it - **Acts 21:24 (...but that thou thyself also walkest orderly, and keepest the law)**.

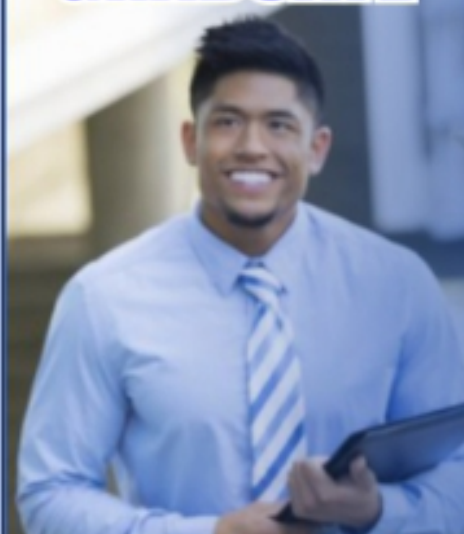

4.

Marry a responsible person. Being responsible means having a duty to take care of something. It also means to be aware of the cost dimension of life. Knowing whatever must be done, must be done by someone – **Heb 3:4 (For every house is builded by some man; but he that built all things is God)**. Many people even in the body of Christ are irresponsible. An irresponsible person will always want to be a recipient while a responsible person will always contribute – **Prov 22:13; 26:13; Eccl 11:14**. Be a fanatic of responsibility. Don't wait for things to be done for you, be an initiator. Responsibility is from the heart. It is the willingness to grow, to press, to fulfill the course dimension of life.

If you are married and your spouse does not have these virtues, it is your place to labor in the place of prayer for these virtues to find expression in his/her life. Be determine to correct the mistakes of your parents with your life.

HELLO! UNDER- GRADUATE

You are in a critical phase of your life, the decisions and choices you make at this very point are very important as it can make or mar your achievements in life.

Here are just 5 hot points you should spot and take a shot of knowledge down your system.

1. If it is not God first, then it is you first. A product cannot direct its manufacturer on how it should be used effectively, so put God first.

- Matthew 6:33

2. If you hate what you can't create, then you'll create what you can hate. Those lecturers might be your nightmare but you don't want to create failure for yourself by hating them.

- Luke 6:40

3. If you depend solely on what you're taught in school, you'll graduate as an undergraduate of the school of skill. Learn a skill

- Proverbs 18:16

4. If your attitude does not worth recommendation, then your altitude will worth condemnation. Be Christ-like.

- Philippians 2:5

5. If your physical polishing is without mental polishing, you will face a social tarnishing. Add up knowledge to your makeup.

- Hosea 4:6
